

## ENERGY PARK

Low Carbon Renewable Energy to Power Kent

### Dear Resident

Following issue 3 of our newsletter in December last year, we successfully carried out the demolition of the three cooling towers and chimney of Richborough power station on Sunday 11th March. Four controlled blasts brought down the towers and chimney with little debris and the minimum disruption to local roads. It was a beautiful Kent morning with many residents turning out to watch the demolition and we are grateful for the co-operation of all our neighbours and stakeholders.

Having completed the demolition and clearance of the site, we are keen to progress our proposals for bringing it back into productive use as a green energy park.

Last summer we hosted a number of exhibitions to present our initial thoughts about the uses that could be accommodated on the site. Since that time we have reflected on the feedback we received and have revised our proposals considerably. We have also been working with National Grid on their proposals for the site and are ready to present our respective proposals. I am therefore writing to invite you to a joint public exhibition to view our new plans.

The exhibitions will take place on Friday 15th June from 3.00pm to 6.30pm in Cliffsend and Saturday 16th June from 9.30am to 12.30pm in Sandwich (details of both venues overleaf). The exhibition will display our proposals for the site, and members of the development team will be available to answer any questions that you may have.

If you are unable to attend the exhibition, all the information will be available on our website [www.richboroughenergypark.co.uk](http://www.richboroughenergypark.co.uk) or contact us using the details overleaf if you have any questions.

Kind Regards

Gary Lever  
Development Director

# RICHBOROUGH ENERGY PARK

Low Carbon Renewable Energy to Power Kent

## Please visit our exhibition:

**Date:** Friday 15th June 2012

**Time:** 3.00pm to 6.30pm

**Venue:** Cliffsend Village Hall,  
Foads Lane  
Cliffsend,  
Ramsgate,  
Kent,  
CT12 5JH

**Date:** Saturday 16th June 2012

**Time:** 9.30am to 12.30pm

**Venue:** The Bell Inn Hotel,  
The Quay,  
Sandwich,  
Kent,  
CT13 9EF

## Contact us:

We hope that you will be able to attend one of our exhibitions this month.

If you are unable to attend or would like further information, please look at our website which will be updated following the public exhibition:

[www.richboroughenergypark.co.uk](http://www.richboroughenergypark.co.uk)

If you have any questions, please do not hesitate to contact Oliver Newman on 020 7871 3565 or email [richboroughinfo@cascadepr.co.uk](mailto:richboroughinfo@cascadepr.co.uk)

### Alternatively, please write to:

Freeport RSTS-XUJT-LCXZ  
Public Consultation (Cascade)  
Dorland House  
14-16 Regent Street  
LONDON  
SW1Y 4PH

For further information on our proposals, please visit our website
